## Notes to the Financial Statements

### For the year ended 30 June 2019

#### Note 1. Corporate Information

IS Industry Fund Pty Ltd (the Company) is a Proprietary company limited by shares that is incorporated and domiciled in Australia.

The registered office of IS Industry Fund Pty Ltd is located at:

Level 1  
270 Adelaide Street  
Brisbane QLD 4000

The principal activity during the year of the Company is to act as trustee of Intrust Super (the Superannuation Fund) under its Australian Financial Services Licence.

The financial statements have been authorised by the Board of Directors for issue on Friday, 27th September 2019.

#### Note 2. Statement of Accounting Policies

##### (a) Basis of Accounting

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

The financial statements and notes of IS Industry Fund Pty Ltd comply with International Financial Reporting Standard (IFRS) and interpretation adopted by the International Accounting Standard Board (IASB).

The financial statements have been prepared on an accruals basis and are based on historical costs. The financial statements are presented in Australian dollars, which is the Company's functional currency.

The accounting policies adopted are consistent with those of the previous year.

The company is a for-profit entity for financial reporting purposes.

##### (b) Adoption of new and revised accounting standards

The Company adopted AASB 9 Financial Instruments and AASB 15 Revenue from Contracts with Customers for the first time for the financial year beginning 1 July 2018 which had no material impact on the current or any prior period and is likely to not materially affect the future periods.

##### (c) Trustee Liabilities and Right of Indemnity

The Company acts solely as trustee of the superannuation fund. Assets are held in trust on behalf of members and other beneficiaries and liabilities have been incurred on behalf of the superannuation fund in the Company's capacity as corporate trustee.

The Company has a right of indemnity for liabilities incurred in performing its fiduciary duties as a trustee. The assets of the superannuation fund, which lie behind the right of indemnity, are not directly available to meet any liabilities of the company acting in its own right. There has been no breach of fiduciary duties during the year ended 30 June 2019.

The Net Assets of Intrust Super (the Superannuation Fund) as at 30 June 2019 were sufficient to meet the liabilities as at that date.

##### (d) Revenue Recognition

Revenue is recognised when or as the company transfers services to Intrust Super Fund for the amount which the company is entitled to. Specifically, revenue is recognised either over time to reflect the entity's performance obligations or at a point in time when the service is transferred to Intrust Super Fund.

## Notes to the Financial Statements

### For the year ended 30 June 2019

#### Note 2. Statement of Accounting Policies (continued)

##### (e) Trade and Other Receivables

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for expected credit losses. Trade receivables are generally due for settlement within 30 days.

##### (f) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expenses. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

##### (g) Employee Benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to reporting date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Those cashflows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cashflow.

##### (h) Income Tax

The income tax expense/(income) for the year comprises current income tax expense/(income) and deferred tax expense/(income).

Current income tax expense charged to the profit or loss is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, as at reporting date. Current tax liabilities/(assets) are therefore measured at the amounts expected to be paid to/(recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax asset and deferred tax liability balances during the year as well as unused tax losses.

Current and deferred income tax expense/(income) is charged or credited directly to equity instead of the profit or loss when the tax relates to items that are credited or charged directly to equity.

Deferred tax assets and liabilities are ascertained based on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets also result where amounts have been fully expensed but future tax deductions are available. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

Where temporary differences exist in relation to investments in subsidiaries, branches, associates, and joint ventures, deferred tax assets and liabilities are not recognised where the timing of the reversal of the temporary differences can be controlled and is not probable that the reversal will occur in the foreseeable future.

## Notes to the Financial Statements

### For the year ended 30 June 2019

#### Note 2. Statement of Accounting Policies (continued)

##### (h) Income Tax (continued)

Current tax assets and liabilities are offset where a legally enforceable right of set-off exists and it is intended that net settlement or simultaneous realisation and settlement of the respective asset and liability will occur. Deferred tax assets and liabilities are offset where a legally enforceable right of set-off exists, the deferred tax assets and liabilities relate to income tax levied by the same taxation authority on either the same taxable entity or different taxable entities where it is intended that the net settlement or simultaneous realisation and settlement of the respective asset and liability will occur in future periods in which significant amounts of deferred tax assets or liabilities are expected to be recovered or settled.

##### (i) Critical Accounting Estimates and Judgements

The directors evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

##### Key estimates - Provision for impairment of receivables

The directors believe that the full amount of the debt is recoverable, and no provision for impairment of receivables has been made at 30 June 2019 (2018:\$nil).

##### (j) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

##### (k) New Accounting Standards and Interpretations not yet adopted.

A number of accounting standards, amendments to accounting standards and interpretations are effective and available for early adoption at 30 June 2019, and have not been applied in preparing this financial report. None of these are expected to have significant effect on the financial statements.

## INDEPENDENT AUDITOR'S REPORT

To the members of IS Industry Fund Pty Ltd

### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of IS Industry Fund Pty Ltd (the Company), which comprises the statement of financial position as at 30 June 2019, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including a summary of significant accounting policies, and the directors' declaration.

In our opinion the accompanying financial report of IS Industry Fund Pty Ltd, is in accordance with the *Corporations Act 2001*, including:

- (i) Giving a true and fair view of the Company's financial position as at 30 June 2019 and of its financial performance for the year ended on that date; and
- (ii) Complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

#### Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the Company in accordance with the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other information

The directors are responsible for the other information. The other information obtained at the date of this auditor's report is information included in the directors' report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of the directors for the Financial Report**

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<http://www.auasb.gov.au/Home.aspx>) at:

[http://www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf)

This description forms part of our auditor's report.
