

IMPORTANT INFORMATION

XX April 2019

Dear XXXXX

Member number: XXXXX

SIGNIFICANT EVENT NOTICE – EFFECTIVE 1 JULY 2019

ACTION REQUIRED: Your insurance cover is about to/will soon be cancelled.

New legislation coming into effect on 1 July 2019, requires us to cancel your insurance cover if your account has been inactive for 16 months or more.

As at 1 April 2019, your account has been inactive for **XX** months. This means that as at **XXXX** 2019 your account will meet the 16 month criteria, and your insurance will be cancelled, unless you make a contribution or rollover between now and then, or you communicate to us that you wish to continue to retain your insurance despite otherwise holding an inactive account.

Your insurance cover

According to our records as at 1 April 2019 you have the following types of insurance cover in your account:

- Death cover of \$**XXX**
- Total and Permanent Disablement (TPD) cover of \$**XXX**

Our 'Best Value Insurance in Super'* is a simple way to protect your family from the financial impact of unexpected death or disablement. The premiums are currently paid through your superannuation account.

What you need to do

If you do any of the following by **XXXX** 2019, you will maintain your insurance:

- complete and return the enclosed Insurance Election Form, or
- go online via www.intrust.com.au/insurance-optin-info and submit the online form, or
- complete the enclosed Standard Choice Form and provide it to your employer to reactivate your Intrust Super account, or
- log in to MemberAccess and use our consolidation tool to rollover funds into your account.

Your account may also be transferred to the Australian Taxation Office (ATO)

If your account balance is under \$6,000 as at 1 July 2019 and you meet certain criteria, your account may also be at risk of being transferred to the ATO. Taking any of the steps outlined above to maintain your insurance is one way of avoiding the transfer of your account to the ATO. For a full list of criteria relating to accounts at risk of ATO transfer, and a list of other ways to avoid the transfer, visit www.intrustsuper.com.au/save-your-super/
